## MUCKLE SING 2026

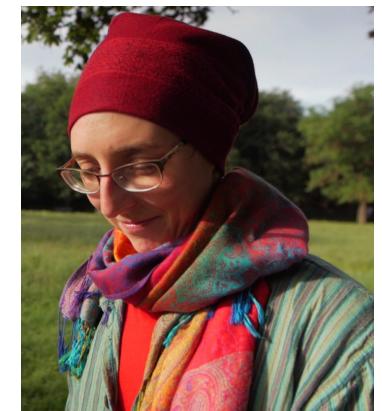

Saturday 21<sup>st</sup> February 2026: 10.00am to 5.30pm  
Queen Margaret Hall, Blackness Road, Linlithgow, EH49 7JA

Back once again by popular demand! An event for all singers, whether you sing by yourself, in a small group or in a large community singing group. The day includes morning and afternoon workshops, a performance platform and a short concert from our tutors.

All welcome, from the beginner to the experienced performer - no need to be able to read music.

### OUR TUTOR: Penny Stone

As a community musician and songleader, Penny has wide experience in working with open access community singing groups and radical music groups. She also says, 'I facilitate singing with groups of people living with shared experiences such as addiction, navigating mental health support services, and surviving violence and abuse. I also use singing to support people living with chronic health conditions such as Parkinson's and dementia.'

Committed to working for peace and social and environmental justice, Penny helps to free people's voices through listening, singing, campaigning and writing.

Penny will share a smörgåsbord of songs from local and global musical traditions, alongside some of her own songs written for group harmony singing. Themes of freedom, light and nature will thread through the day, with a dash of silliness as well. Penny believes that everyone can sing, and all voices are welcome.
